The Broker Academy

access health CT

Training Class dates for 2024 TBD

5-day mandatory in-person class* (may be modified). Flexible schedule for the remainder of the Program.

Minimum requirements to apply:

- 18 years or older
- High school diploma or GED
- 1-3 recommendation letters
- Community service experience
- Preference will be given to applicants who reside or work in underserved areas

As part of our mission-driven approach to reduce health disparities, Access Health CT seeks to drive change within communities in need by creating a Broker Academy Program - a **free training program for candidates to become licensed insurance brokers (producers).**

The Program aims to help reduce health disparities and uninsured rates by embedding a network of trusted health coverage experts in Connecticut's traditionally hardest-to-reach communities.

Start a new career while making a difference in your community.

Program Details:

Free Training

Access Health will cover the cost of training and exam.

Mentorship Program

Students will have access to an experienced broker mentor to provide guidance through the mentorship portion of the Program.

Program Support

Access Health will provide all resources throughout the Program and continued support after graduation.
